

Attendance at a football camp can be a valuable and rewarding experience for a young athlete. The Kirtland Hornet varsity football staff, in conjunction with the Kirtland Youth League coaches, will provide each camper with the individual instruction needed to improve his skills in the various aspects of the game of football. This is an instructional and motivational camp intended to kick-off the 2019 football season with a positive mental attitude. Members of the Kirtland Hornet Varsity, JV, and 9th grade football teams will participate in many of the same drills as the youngsters from our youth league. We hope to establish a feeling of community for parents & athletes of all ages. Thank you for trusting us with your children. We know this will prove to be an experience they will remember for many years to come!

Yours truly,
Tiger LaVerde
